

K-Love serves as our contemporary Christian radio station in our area. This is the only one we receive and it allows our community to be informed of events in the area and enlightens them to great listening with none of the secular involved. If displaced we would be deprived of the good values that K-Love promotes. K-Love provides a wonderful evangelical tool to our community and listeners. As a supporter of K-Love I do not want to see it displaced, ever.
